Presented by

**France Sarradon, MA, LPCC, LMFT, Clinical Director of the NM
Relationship Enhancement® Institute, with the help of experienced practitioners**

Practice using Relationship Enhancement in your personal and professional life

We will explore ways to move through relationship roadblocks and challenges, to reach a deeper level of empathy, self-expression, heart connection and healing.

And we will practice various forms of Relationship Enhancement® to use in your specific situations in a flexible, organic way.
