FRANCE SARRADON, MA, LPCC, LMFT France Sarradon's approach is based on her profound empathy, humanistic principles, multicultural experience and humor, the sharing of relationship skills, and her 50 years of experience. France counsels individuals and couples, leads classes and workshops, and trains professionals (therapists, group leaders, managers ...), both in the US and in France. France also trains people in businesses and organizations.

# WORKSHOP DETAILS

## In this workshop participants will learn and practice:

- the theoretical background of Relationship Enhancement® (RE)
- the various ways of teaching the 11 RE skills to couples and individuals
- the advanced skills of the RE Therapist, including crisis intervention and conflict management techniques
- the structuring of sessions, including the very important first session
- pitfalls to avoid

## Modalities:

- 20% will bring theoretical information
- 80% of the workshop will provide opportunities to observe demonstrations and mostly to practice each part of the training with positive and supportive coaching

**Carries 13 CEUs for Counselors and Social Workers.**

**It is the first step toward certification as an RE Therapist, Trainer, Supervisor, or Faculty in Relationship Enhancement®**

## Pricing:

- \$400 per person for Early Bird Registration (on or before 10/08/2025) & when 3 or more people register at the same time
- \$425 after 10/08/2025
- Special Discounts if you sign up and pay for two or more workshops at the same time.

## Requirements:

- Attendance at a 2-day “Foundations of Connection” RE workshop before taking this training (September 20 & 21, 2025)

## Certificates:

- Certificate of attendance will be given at the end of the 2 days.

## Other benefits after completion:

- Follow up Advanced Training & Supervision seminars with France Sarradon
- Ask about RE workshops for individuals/couples, Advanced workshops, and practice groups.
